# An Inspired Evening

On October 22nd, more than 130 guests were in attendance to celebrate BID–Plymouth’s tradition of philanthropy at the annual “Inspired Evening” donor appreciation event. Duxbury residents and long-time BID–Plymouth supporters Bob and Joan Kelly were honored for their many contributions to the Hospital over the past 25 years.

# Thank You for Your Support

With the formation of Beth Israel Lahey Health (BILH) on March 1, 2019, BID–Plymouth joined an exceptional array of clinical organizations, including world-renowned teaching and specialty hospitals. We are now part of a system that includes over 35,000 employees, 9,000 nurses, and 850 primary care physicians, with a mission of delivering the right care, at the right time, in the right place. We are committed to expanding access to superior health care services, alleviating health care disparities, and addressing public health issues like addiction, mental health and chronic disease.

What's most important is not the numbers, however, but what access to this breadth and depth of expertise means to our local community and the patients we serve. At BID–Plymouth, we place the experience of our patients at the center of everything we do, and we are committed to providing a full continuum of health care services to the communities of southeastern Massachusetts.

We are truly grateful for your support in fulfilling this commitment. We invite you to visit [bidplymouth-giving.org](http://bidplymouth-giving.org) for additional stories that highlight our talented and caring professionals' work, and that underscore the critical role that your philanthropic support plays in helping us to meet the needs of our community.

Sincerely,

Kevin Coughlin  
President

BID–Plymouth was founded on a gift from Eben Jordan in 1901, and the impact of philanthropy has only grown over the years. In 2019, individuals from across the South Shore and the Cape—grateful patients who want to show their thanks; business leaders supporting our new Leadership Circle; high school teammates raising money for the Breast Center; and family members honoring a special caregiver—have made a difference at BID–Plymouth through philanthropy. The extensive support from BID–Plymouth donors is reflected in this annual report on giving.

As a member of Beth Israel Lahey Health, BID–Plymouth offers our patients access to a full range of top quality, world class healthcare. Still, 100% of the donations to the Hospital remain here to support its work in our community.

The tradition of giving is a part of who we are as a non-profit organization. We are a community hospital, and at our core, our community is what defines us, what makes us great, and what supports and propels us as we grow. Philanthropy enables us to invest in services and facilities to best serve our patients. We are grateful for your help in optimizing the health and well-being of our community.

With gratitude,

Charles Hewitt III  
Philanthropy Committee Chair

# “She Was My Lifeline”

Tina Collins and Emergency Department nurse Julie Lynch.

Three years ago, Tina was rushed to the BID–Plymouth Emergency Department (E.D.) after collapsing at home following what she thought was a bad migraine. Her life changed in an instant when she learned it was actually a brain aneurysm, and that she would need to be transferred to BIDMC for what turned out to be weeks in intensive care. Her BID–Plymouth E.D. nurse, Julie, was there for her every step of the way—keeping her alive.

Fast forward three years to May 2019, and Julie’s work day in the E.D. started on an unusual note when she was surprised by a large group of smiling people waiting for her. Julie stood in stunned silence as a staff member read through an emotional testimonial from Tina.

Julie received a second surprise when Tina herself emerged from the crowd to give her former nurse a tearful hug and present her with a certificate and pin that marks her as an honored caregiver. Our honored caregiver program enables patients to make a gift to the Hospital in recognition of the outstanding care they received from an employee or volunteer.

*Tina credits Julie with saving her life, saying, “If it wasn’t for her, I wouldn’t be here.”*

## A Way to Say Thank You!

*Express your gratitude to a BID–Plymouth employee or volunteer who has gone above and beyond by making a donation in his/her name. Visit: [bidplymouth-giving.org/honoredcaregiver](https://bidplymouth-giving.org/honoredcaregiver)*

# Faces of BID–Plymouth: David Kelly, M.D.

Dr. David Kelly, BID–Plymouth Board member and radiologist, has been a member of the Diagnostic Imaging team at BID–Plymouth since 2006. Helping ensure the community where he lives and works is healthy is very important to Dr. Kelly. When asked why, he quotes Thomas Jefferson, the founder of the University of Virginia where Dr. Kelly earned his M.D., “Without health, there is no happiness.”

Outside work, Dr. Kelly stays healthy and active year-round by sailing in the summer, skiing in the winter, and golfing in the spring and fall. He even finds time to play in BID–Plymouth’s annual Golf Classic with physician colleagues.

Dr. Kelly and his wife, Michelle, have been generous donors to the Hospital since 2007, directing their support for hospice care, behavioral health, and the Hospital’s greatest need.

*“Many people don’t realize BID–Plymouth is a non-profit. Without philanthropic support from those we serve, there are many programs and services the hospital could not provide.” – Dr. Kelly.*

# Honoring Maureen A. Tomaso–Stares

The generous spirit of Maureen A. Tomaso–Stares lives on through an extraordinary bequest to BID–Plymouth. Ms. Tomaso–Stares, a Plymouth resident who passed away in 2017, directed her \$730,000 donation to benefit the Hospital’s cancer center, where she was a patient.

To honor Maureen and recognize her exceptional gift, more than 50 family members, friends, and BID–Plymouth employees gathered in BID–Plymouth’s cancer center on August 5, 2019 for the dedication of the Maureen A. Tomaso–Stares Waiting Room. Guests shared memories of Maureen during the evening reception and heard from several speakers, including Dr. Matt Koomey, Medical Director of the cancer center, and William B. Stares, Maureen’s husband.

Remarking on the impact of the donation, Kevin Coughlin, President of BID–Plymouth, stated, “Maureen’s generous donation for our cancer center will allow us to add two new treatment rooms, update one of our infusion rooms, and improve the waiting room experience for other patients and loved ones. Maureen leaves a legacy of kindness and generosity through her gift of care and comfort for others. For that we are truly grateful.”

Planning is underway for the cancer center’s expansion and renovation.

Pat with  
Dr. Oliver.

## Grateful Patient

### Pat Sullivan

Pat first experienced the compassionate care of our community hospital when her five-year-old son broke his arm. She was comforted by the expertise and kindness of Dr. Scott Oliver. A few years later, Pat started experiencing knee troubles and reached out to Dr. Oliver for help. When her husband required medical attention to address his foot pain, it was Dr. Oliver they turned to. Then when Pat's hip started causing her concern, she again requested the expert care of Dr. Oliver.

Pat feels fortunate to have been able to develop such a familiar relationship with her local doctor and receive such excellent care for her entire family, close to home. To show her appreciation, Pat made a gift to the Hospital in honor of Dr. Oliver through the Honored Caregiver program.

**33rd Annual Golf Classic**

BID–Plymouth hosted its 33rd annual Golf Classic on Tuesday, September 24th at The Pinehills Golf Club in Plymouth. This year, the tournament was expanded from one course to two courses, with 180 golfers and over 40 sponsors who helped to raise a record of \$225,000, including funds to support Substance Use Disorder (SUD) programs at BID–Plymouth. To learn more about the Hospital’s efforts on SUDs treatment and recovery, please go to [bidplymouth-giving.org](http://bidplymouth-giving.org) to watch a brief video. ## Grateful Patient

# Glenn Carle

Glenn credits the cardiac catheterization team and the subsequent care he received in the Critical Care Center from physicians like pulmonologist Dr. Arthi Thangaraj for saving his life after suffering a heart attack.

***Above: Glenn with Dr. Arthi Thangaraj, pulmonologist in the Critical Care Center at BID-Plymouth.***

## Running for a Reason

This year, Julie Lynch (*right*) and Caroline Sheehan (*left*) ran the 2019 Boston Marathon on behalf of BID–Plymouth. Despite the crazy weather on Marathon Monday, both runners persisted and crossed the finish line in under 5.5 hours!

In addition to many months of rigorous physical training, Caroline and Julie raised more than \$19,000 for BID–Plymouth’s Behavioral Health department!

### Legacy Society

The Legacy Society recognizes and honors supporters who have included BID–Plymouth in their estate plans. These gifts include bequests, charitable gift annuities, and trusts. We welcome and encourage others to consider a gift to BID–Plymouth as part of their estate planning and as a statement of support for the Hospital as a valuable community resource.

For more information on planned giving, please contact Edith Millard at 508-830-2095 or emillard@bidplymouth.org.

## Fragile Footprints Golf Tournament

On September 8th, 114 players came ready to golf in support of the Fragile Footprints Pediatric Palliative Program. The event raised \$37,560 for this important Cranberry Hospice initiative, which provides much needed services to families of children who suffer from life-threatening, progressive, or irreversible diseases and conditions.

## The Gift of Time

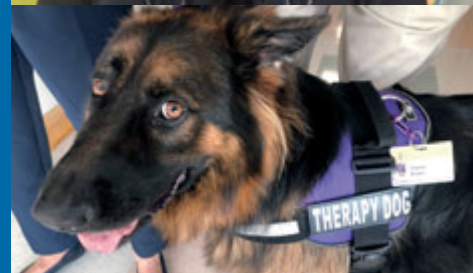

We are very thankful to our entire volunteer team who choose to share the most precious resource, their time, by offering kindness and caring. They make a difference in the lives of the individuals they encounter every day.

We are always looking for new people to join our dedicated group of year round and summer volunteers. If you are interested in learning more about volunteer opportunities at BID-Plymouth, please visit our website at [bidplymouth.org/volunteer](http://bidplymouth.org/volunteer) or by calling our Volunteer Department directly at 508-830-2075.

# Our Mission

*Beth Israel Deaconess Hospital–Plymouth is a recognized leader for top-tier quality healthcare, providing a full continuum of healthcare services to the communities of southeastern Massachusetts. As part of the world class Beth Israel Lahey Health system, we deliver excellent care with compassion, dignity, and respect. We have deep ties to our community and place the experience of our patients at the center of everything we do.*

*Thank you for supporting BID–Plymouth!*
